Operating model

Helmsgate Commerce Ltd operates an online marketplace for independent homeware makers. Sellers in the United Kingdom, Ireland and Germany list products; consumers buy through the Helmsgate website and app. The applicant requests cross-border payouts so that Irish and German sellers are paid in euros.

Seller onboarding

The applicant collects each seller's legal name, registration or tax identifier, and payout bank details, verifies business sellers against the relevant company registry, and re-verifies payout details whenever they change. This statement is a claim by the applicant; control evidence is not attached.

Funds flow and licensing

Buyer payments are collected and held by our regulated payment partner until payout. Helmsgate does not receive or hold buyer or seller funds at any time and does not claim to hold a financial-services licence. Expected payout volume: approximately GBP 4.5 million per month to about 2,100 sellers.

Ownership summary

Helmsgate Group Holdings Ltd holds 80% and Rian Okafor holds 20%. The ultimate beneficial owners are Elin Lindqvist and Marco Ferri through Lindqvist Holding B.V.; see the group ownership chart dated 30 June 2026.
